DISTRIBUTION OF TEXTILES.

No. T1.—2272—48-49. It is hereby notified for the information of the public that with a view to restricting the rise in prices of cloth and yarn, and to make available the above, to the consumer at controlled rates, the Government of India have announced their Textile Policy on the main features of the policy are that control over production in the Mills and the fixation of ex-Mill prices rest with the Textile Commissioner, Bombay, and the Provinces and States are allowed to fix the margin of profits to the various classes of dealers and to arrange the distribution through such agency as the Provincial or State Government may consider suitable in their respective areas.

2. On the lines of the legislations passed by the Central Government the following Acts have been passed in Mysore to give effect to the future Textile Policy in Mysore State.

1. The Mysore Textile (Control) Order, 1948.
2. The Mysore Cotton Cloth Dealers' (Licensing) Order, 1948.
3. The Cotton Yarn (Control of Distribution) Order, 1948.

3. The Government of Mysore have decided to arrange distribution of cloth and yarn through the usual trade channels and have retained three links in the chain of distribution *viz.*, Procurers, Wholesale Dealers and Retailers. Wherever it is found necessary and feasible, services of well organised Co-Operative Societies will also be made use of.

4. A procurer cannot be a wholesale dealer and *vice versa*, and the dealers are not entitled to more than one margin of profit, where a procurer is also a wholesale dealer, as in the case of yarn, the party is entitled to wholesale margin only and the procurers' margin should be remitted to Government.

5. The procurers would procure the cloth and yarn from the Mills for which they have been appointed as procurers.
